Gorilla Cleaner All Purpose Cleaner

Gorilla Cleaner is a unique all purpose cleaning product. Its unique blend of surfactants make Extreme especially suited to clean traffic film and diesel soot from automobiles, trucks, train cars, boats, and locomotives.

It is also a very effective degreaser and cleans by emulsifying grease with a unique surfactant blend rather than stripping the surface as is the case with many caustic cleaners.

This product has to be used to be appreciated. It easily removes black streaks from motor homes and tractor trailers, without containing harsh Caustics, which can cause streaking and damage to the paint.

Gorilla Cleaner is also a versatile car wash product. It can be used as a prep wash and bug remover and a safe, nonacid rim cleaner.

Directions

1. Surface should be cool to the touch.
2. Dilute product from 3:1 to 30:1 with water to achieve desired strength.
3. Spray product onto area to be cleaned.
4. Allow product to dwell for 15 - 30 seconds.
5. Agitate area with a soft brush.
6. Rinse with water.
