Chemcor Chemical Lemon Disinfectant Neutral Cleaner

Lemon Disinfectant Neutral Cleaner is a one-step hospital-grade disinfectant, germicidal cleaner, and deodorant. It's perfect for disinfecting for hospitals, nursing homes, households, schools, food processing plants, mess halls, and other institutions where housekeeping is of prime importance in controlling the hazard of cross-contamination. When used as directed, Lemon Disinfectant Neutral Cleaner will disinfect inanimate hard surfaces such as walls, floors, sink tops, toilet bowls, tables, chairs, bed frames & telephones.

For larger areas such as operating rooms, restrooms & patient care facilities, the product will provide both heavy-duty cleanings & disinfecting. It also works to deodorize areas that are hard to keep smelling fresh, such as garbage storage areas, empty garbage bins & cans.

This quat-based product functions effectively as a pseudomonacidal, staphylocidal, salmonellacidal, bactericidal, fungicidal, mildewstatic, and virucidal cleaner. Effective against the following pathogens: HIV-1 (AIDS virus), Pseudomonas Aeruginosa, Staphylococcus Aureus, Eachericin Coli, Salmonella Choleraesuis.

Directions

For specific cleaning instructions, please refer to label detailed direction.

Dilution For General Disinfection:

Lemon Disinfectant Neutral Cleaner is a hospital use bactericide and *virucide at 4 ounces per gallon, modified in the presence of 400 PPM hard water as CaCO₃.

GENERAL CLEANING

Apply this product to soiled area with a mop, cloth, sponge, hand pump trigger sprayer or low pressure coarse sprayer. This product can be diluted at 4 ounces per gallon. Thoroughly wet soiled surface and scrub as necessary.
